She received an achievement award in the hands of the Mayor, Pune city, from TNAI Pune City branch on 10th May 2016.

Institute Profile

Symbiosis College of Nursing (SCON) was established in the year 2007 with an aim to create leaders in the nursing profession by providing unique, innovative programme that are responsive to the market needs. SCON is recognized by Indian Nursing Council, New Delhi and Maharashtra Nursing Council, Mumbai. The programme offered by SCON ensures numerous career avenues for a graduate and post graduate nurse in the healthcare industry across the world. SCON is associated with major hospitals of Pune city to provide necessary 'hands-on' clinical and para-clinical experience necessary for the students pursuing hospital based academic programmes. Symbiosis College of Nursing thus aims to create a benchmark in nursing education in India. The overall aim of nursing programme is to prepare a graduate Nurse to work as frontline worker in the clinical and community field and educational arena.

Health Care services

The Symbiosis Centre of Health Care (SCHC) is the in-house Health Care unit exclusive to the staff and students of the various institutes of Symbiosis. The center is concerned about the preventive, promotive and curative health of every individual under the banner of symbiosis, be it a student or employee. The SCHC has a team of specialist doctors who conduct the (compulsory) annual health checkup. Outpatient treatment is provided to the students by the medical officers of SCHC. The center also arrange seminars and health education workshops. Each student is insured under Medi-Claim and Road Traffic Accident Policy. A copy of the policy document is available with the Registrar/Office Superintendent. For further details regarding the benefits of the policy, the student may contact the SCHC.

The SCHC also provides an in-house, modern health and fitness center with a view to facilitate a holistic development of mind and body for an all-round development of our students. The Recreation & Wellness Center is all about a harmonious development through systematic, safe

and personalized activities carried out under the expertise of highly trained professionals. Training facilities for strength, endurance, flexibility and cardio vascular fitness including Yoga and Meditation which is provided in customized capsules suited to the unique requirements of the student population in synchronization with their academic curriculum. The center thus provides preventive, promotive and curative healthcare services with a view to ensure positive health to all members of the Symbiosis family.
