Action Taken Report for Academic Year 2020-2021

S. No	Suggestion	Action taken report
1.	20 % of the students from 1 st year P. B. B. Sc. Nsg, 1 st year BSc Nsg, 2 nd year BSc Nsg and MSc 1 st year Nsg stated that the courses are overlapping with other courses	Director is planning to conduct the meeting with students to discuss regarding the overlapping of the classes.
2.	No. of the hours allotted to the courses are not adequate state by 12 % of the 2 nd year MSc Nursing students stated	Director is planning to talk to the students for the better clarification
3.	Curriculum has prepared adequately for the job roles- about 8 % of students responded that some topics related to job orientation need to be added in 4th year BSc Nursing programme. Same suggestion was given by a few students of MSc nursing	SCON conducts COP every year, in which students get opportunity to learn how to prepare their CVs, professional grooming and awareness regarding placements available for nurses all over the world. However director and class coordinator are planning to discuss with the alumni
4.	The pandemic of disease conditions such as taking care of a pregnant women with COVID 19 need to be added in concerned specialty	<ul style="list-style-type: none">• Director Madam and faculty , suggested to prepare a module separately on care of pregnant women and newborn with COVID 19 as we have no permission to change the syllabus given by INC
5.	ACLS, BLS, COVID 19 need to be added as a modules in various specialties.	<ul style="list-style-type: none">• INC has already added modules of ACLS, BLS, and First aid in respective semesters in revised upcoming syllabus.• Next year onwards, new syllabus may come up.• SCON is encouraging the students especially PG students to undergo the course of ACCN. This course consists of ACLS and BLS modules.• Many students have done this course
6.	My suggestion would be as we're amid pandemic it's better to keep online teaching module to reduce the rate of infections.	We are following the Indian Nursing Council Guidelines
9.	Link should be given before meeting	We will ensure it in next meeting.
