Action Taken Report for Academic Year 2020-2021

S. No	Suggestion	Action taken report
1.	Few students from 1st year P. B. B. Sc. students have suggested to integrate the OET training classes in the P. B. B. Sc. curriculum. 20 % of the students from 1 st year P. B. B. Sc. Nsg, 1 st year BSc Nsg, 2 nd year BSc Nsg and MSc 1 st year Nsg stated that the courses are overlapping with other courses	Director sir has already in terms to talk with the Aryavrat to provide English classes for all UG and PG students. Director is planning to conduct the meeting with students to discuss regarding the overlapping of the classes.
2.	Placement of the course- 12 % of the students from 2 nd year P. B. B. Sc. Nsg stated that placement of the courses are not appropriate.	Director is planning to talk to the students for the better clarification
3.	Curriculum has prepared adequately for the job roles- about 8 % of students responded that some topics related to job orientation need to be added in 4th year BSc Nursing programme. Same suggestion was given by a few students of MSc nursing	SCON conducts COP every year, in which students get opportunity to learn how to prepare their CVs, professional grooming and awareness regarding placements available for nurses all over the world However director and class coordinator are planning to discuss with the alumni
5.	The pandemic of disease conditions such as taking care of a pregnant women with COVID 19 need to be added in concerned specialty	• Director Madam and faculty , suggested to prepare a module separately on care of pregnant women and newborn with COVID 19 as we have no permission to change the syllabus given by INC
6.	ACLS, BLS. COVID 19 need to be added as a modules in various specialties.	• INC has already added modules of ACLS, BLS, and First aid in respective semesters in revised upcoming syllabus • Next year onwards, new syllabus may come up • SCON is encouraging the students especially PG students to undergo the course of ACCN.

		This course consists of ACLS and BLS modules. <ul style="list-style-type: none">• Many students have done this course
7.	First aid training in first years	<ul style="list-style-type: none">• SCON has already taken an initiative to add First aid classes for 1st year BSc Nursing
8.	My concern is about allocation of marks. I see some biasness in the way marks are given. It is like certain individuals are selected to score more marks and others less marks. No matter how much I try to write the correct answers I just get passing marks. I don't know the criteria used for grading us.	Students should raise the grievance-mentioning name of the subject as there is committee called Grievance Committee, which resolved issues.
