Summary of Feedback Analysis and Action Taken:		
Sr. No	Particulars / Action Point	Action Taken
1.	Current updates in Specialization topics can be added in the syllabus	Updated topics from respective course syllabus will be added and approved by BoS in the coming Academic year.
2.	Biophysics subject is not of much use for the students, it can be suggested to the statutory body to give less weightage to this subject	As this subject is laid down by Statutory body, so at college level no changes can be done. Statutory body is already working on Programme revision
3.	Over all curriculum for each programme is effective but they should have their more hands-on skills. There should be more exposed to practical part	Academic year 2019 -20 Academic and Clinical Planning is done keeping this point in consideration.

Respected Shital Mam,  
I Pervinder Singh Badh, father of  
Miss. Shikha Kaur Badh. The academic meeting  
which was held on 28/4/19 was very helpful  
as I got to know about overall behaviour of  
my daughter. Also, information about leave shifting  
was also given which was the main question  
of all parents. There should be more activities  
held for the students. Also, parents should be  
updated with behaviour of student.

Thanking You.

Yours Faithfully  
Pervinder Singh
