The theme of this year's World AIDS Day is "Communities make the difference".

The commemoration of World AIDS Day, which will take place on 1 December 2019, is an important opportunity to recognize the essential role that communities have played and continue to play in the AIDS response at the international, national and local levels.

Communities contribute to the AIDS response in many different ways. Their leadership and advocacy ensure that the response remains relevant and grounded, keeping people at the center and leaving no one behind. Communities include peer educators, networks of people living with or affected by HIV, such as gay men and other men who have sex with men, people who inject drugs and sex workers, women and young people, counsellors, community health workers, door-to-door service providers, civil society organizations and grass-roots activists.

World AIDS Day offers an important platform to highlight the role of communities at a time when reduced funding and a shrinking space for civil society are putting the sustainability of services and advocacy efforts in jeopardy. Greater mobilization of communities is urgently required to address the barriers that stop communities delivering services, including restrictions on registration and an absence of social contracting modalities. The strong advocacy role played by communities is needed more than ever to ensure that AIDS remains on the political agenda that human rights are respected and that decision-makers and implementers are held accountable.

On the basis of this theme, Rally on AIDS control and prevention was organised in the collaboration with District AIDS control and prevention office, Pune.

Dr. Kakade. Dist. civil surgeon, Dr. Wankhede Dept. Dean sinhgad hospital Pune and Dr. Prasad Sonawane District Program Officer, District AIDS control and prevention office, Pune were chief guest for the rally. Along with Symbiosis College of Nursing, D.Y.Patil Arts and Commerce college students, Govt Nursing School Aundh, Pune students and other NGO participated in the rally. Around 280 participant were there in the rally. The motto of the rally

Sharadha Ramesh, R.N., R.M., Ph.D
Director and Professor
Symbiosis College of Nursing

Dr Vaibhav Lunkad has delivered the awareness lecture on How to prevent our body from disease conditions emphasizing the use of Warm water and Lemon Juice. He also talked about How to enhance and extend the life span of HIV infected patient by adapting certain remedies.

It was very fruitful lecture. On the same Occasion District AIDS Prevention and Control department has also awarded a letter of Recognition and Appreciation for the College for extending the services in this National Program. They also awarded the students with certificates for their innovative ways of imparting awareness to the public on the theme.

Respected Madam

Subject: Recognition and Appreciation for Extension activity

District AIDS Prevention and Control department has organized the World AIDS day in the month of December 2019 where the department has planned many activities under the project to aware the public regarding the theme.

The department has recognized Symbiosis College of nursing to extend its services in this Awareness program.

Symbiosis College of Nursing (SCON) has actively participated in all activities like rally, street paly and exhibited different innovative methods of awareness by their skills.

The work is highly appreciated by the department.

A special appreciation has been given to the core team

- Dr Sharadha Ramesh, Director, SCON
- Dr S G Joshi, Prof, SCON
- Ms Jasneet Kaur, Asst Prof SCON
- Ms Ranjana Chavan, Asst Prof, SCON
- Mr Mangesh Jabade, Tutor, SCON
- Ms Deepali Dumbre, Tutor, SCON
- Ms Tejashri Ligade, Tutor, SCON

Looking forward for future endeavors too.

Congratulations!
