This year we conduct programmes raise the public awareness about the health issues .

We Msc. First year student and the staff organized a public awareness programme on Diabetes behalf of symbiosis college of nursing .

On the occasion of worlds Diabetes day, we students and the staff celebrated world Diabetes day on behalf of symbiosis college of nursing at Pashan..

The teachers who accompanied the program were Dr. S.G Joshi and Mr. Mangesh Jabade.

Dr. Joshi gave a lecture on Diabetes awareness on general public and after that was a short interactive session, General public were asked to raise questions in which they were having doubts.

**World Diabetes Day (WDD)** was created in 1991 by IDF and the World Health Organization in response to growing concerns about the escalating health threat posed by diabetes. World Diabetes Day became an official United Nations Day in 2006 with the passage of United Nation Resolution 61/225. It is marked every year on **14 November**, the birthday of Sir Frederick Banting, who co-discovered insulin along with Charles Best in 1922.

A disease in which the body's ability to produce or respond to the hormone insulin is impaired, resulting in abnormal metabolism of carbohydrates and elevated levels of glucose in the blood.

World Diabetes Day is important because it reminds the public and government that Diabetes has not gone away – there is still a vital need to raise money, increase awareness, fight prejudice and improve education.

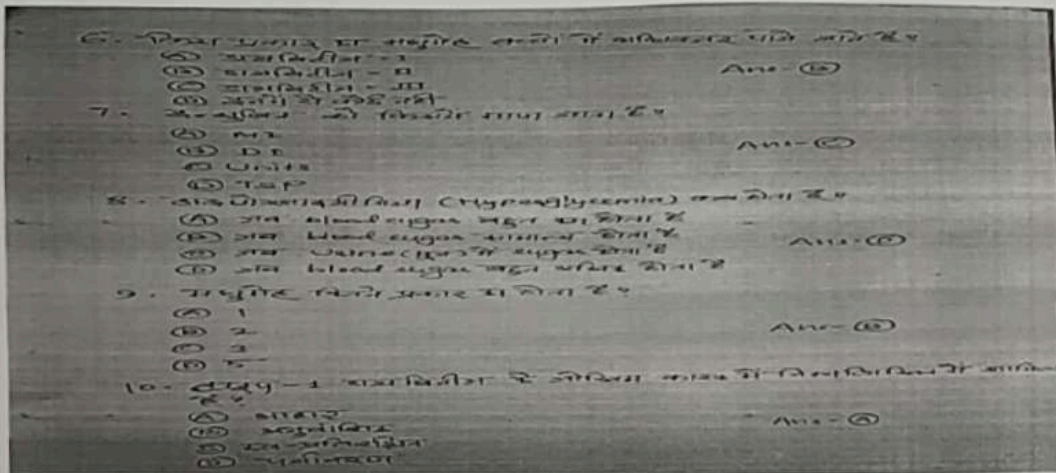

#### **THE FOLLOWING ACTIVITIES ARE CARRIED OUT:**
