SYMBIOSIS COLLEGE OF NURSING, PUNE
COURSE EVALUATION, M.Sc. NURSING COURSE
M.Sc. NURSING II YEAR, 2016-2018

Dear students

You have undergone an academic course of two year duration. During this period you have experienced the practical implementation of the curriculum. As young student teachers, you surely understand the importance of Course Evaluation. Therefore you are being administered this format of Course Evaluation on the completion of the course to be filled and submitted by you for further evaluation and implementation.

It is advised that you give critical & constructive views towards the implementation of curriculum in order to bring positive changes. Do not express grievances here; there is a different forum in place for the same.

OBJECTIVES:

- The objectives of the Course Evaluation are to:
 - Identify the areas of weaknesses/disadvantages with regard to the curriculum.
 - Identify the learning difficulties and other related problems experienced by the students.
 - Evaluate the adequacy of learning experiences provided to the students.
 - Develop relevant suggestions for the overall improvement of the course.
 - Improve the quality of teaching.

INSTRUCTIONS:

- You are expected to express your individual fresh opinion on various course aspects such as adequacy of content, clinical experience, achievement of course objectives, student evaluation system, guidance and counselling provided and examination system. The remarks column gives space for the statement to be used to write your comments. There are five open-ended items placed first three to assess the adequacy and occurrence. Kindly attempt all items of tool as any non-response item will result in discount or incomplete assessment.
- Tick any five statements given below. Each statement has three point below ranging from 1 to 3.
