|-------------|--|---|
|             | Curriculum has prepared adequately for the job roles- about 8 % of students responded that some topics related to job orientation need to be added in 4th year BSc Nursing programme. Same suggestion was given by a few students of MSc nursing | SCON conducts COP every year, in which students get opportunity to learn how to prepare their CVs, professional grooming and awareness regarding placements available for nurses all over the world. However director and class coordinator are planning to discuss with the alumni |
