Subject: Achievements

Ms. Shilpa Katoch, 2013-2015 batch, passed out student of Pbbsc, Symbiosis College of nursing, Pune. This college has inspired and motivated me to achieve at a level higher than i thought possible. SCON has always encouraged me to do excellent in studies as well as in extracurricular activities.

I feel so hounored and blessed to be the part of this institute. With the guidance of my wonderful teachers I have secured many prizes like best student award in pune city branch by TNAI, silver medal in all India essay writing competition, silver medal in quiz competition by IAP etc.

This college helped to discover a passion of learning in me, which helped me to bag vice Chancellor's gold medal in master degree as well.

I would like to join symbiosis in future again which will enhance my capabilities, knowledge and skills to the excellence.
